The attraction: Intimidator 305

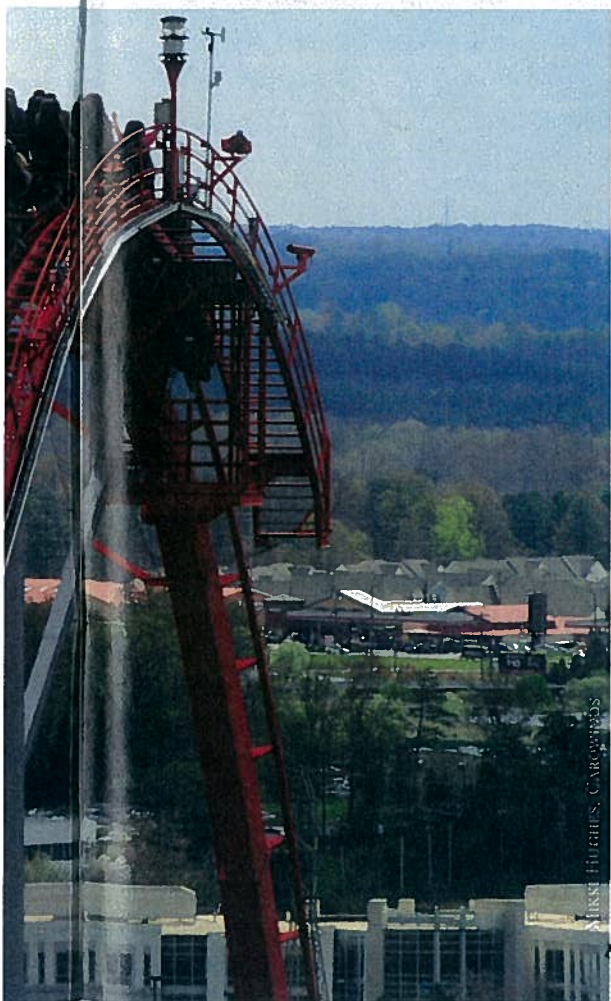

The place: Kings Dominion; Doswell, Virginia

The hook: One of only two Giga-coasters (a complete-circuit coaster standing 300 feet or taller) in North America, this Dale Earnhardt-inspired scream machine—305 feet at its highest peak—thrusts you 300 feet down at an 85-degree angle on its first drop before soaring to speeds of more than 90 m.p.h.

The attraction: Shoot the Rapids

The place: Cedar Point; Sandusky, Ohio

The hook: Plan to get wet—drenched, actually—on this wild river ride that uses 728,000 gallons of water and makes a tsunami of a splash with an 85-foot-tall lift hill that drops you at a 45-degree angle and a second 49-foot-tall lift hill that results in a “shoot” through whitewater rapids.
